Lookpart: Creates Bespoke Exhibition Stalls

Deepika
Director

In this competitive business world, exhibition stalls are a preferable marketing solution as companies rely on it for their growth and promotion. Every organization wants to relish the most value of their brand or product from these exhibition stalls, for which they require an expert quality exhibition stall designer. Perfectly placed in the space to offer exhibition stalls tailor made for each client is 2005 founded Lookpart Exhibitions & Events Pvt. Ltd. The company holds high regards in the industry as a premier exhibition stall designer organization offering highly customizable Exhibition Stall Design, Exhibition Stall Fabrication, Portable Exhibition Kit, Exhibition Booth Decoration and much more.

Provides 360 Degree Solutions

Right from conceptualization to execution, Lookpart being a reliable partner ensures not only to build a world class exhibition stall but also to offer an out of the world experience maximizing consumer engagement within the exhibition space. Generalizing

"Lookpart provides Exhibition & Retail fabrication and planning, innovative customized designs and delivers a high standard of service that is second to none"

completely inhouse including investment in people, technology, raw material and others ensuring a finished product. The young and dynamic team (with an average age of 29) at Lookpart, with its combined practical experience of over five decades works enthusiastically looking after end-to-end solutions and services of its client's exhibition. "We are an integrated marketing communications company instituted by seasoned professionals with extensive experience in the communications and media industries," asserts Deepika, Director, Lookpart Exhibitions & Events.

Equipped with latest equipment, software, state-of-the-art machinery, vast production space and skilled team, Lookpart's Designing Studio designs exhibition stalls considering all the nittygritty in the design process and offers exclusive design based on products, services, brand projection, brand visibility, layout maximum utilization and more. It provides Exhibition & Retail fabrication and planning, innovative customized designs and delivers a high standard of service that is

second to none. Its skill in setting up the exhibition stalls includes Stall fabrication (3D design, visualization & plans, 2D design & artwork, creative concepts, custom build stands, modular stands, large format graphics & signages), project management, logistics and dismantling.

The company has created ball parks in exhibition industry and has earned extensive knowhow for stall constructions. "With inhouse support for design, project management and dedicated production facilities, we cater companies in planning their event, exhibitions and producing retail solutions. Our designing clients are architects, interior designers, and companies participating in exhibitions globally," adds Deepika.

With direct presence across Bangalore, Mumbai, Chandigarh, New Delhi and Jaipur, Lookpart has network affiliates PAN India helping it serve across 67 tier I/II and III cities, and has strategic presence across US, Europe, Singapore, India, and Dubai. This has enabled the company to serve clients akin to Mahindra, Maersk, Unilever, Bank of India, Johnson & Johnson, Sandoz, Maltreya, IDBI Bank, Emerson, Deutsche Bank, Stelmi, Dana Motors Nigeria, Cadbury, Huntsman, and several others.

The background is a dark blue gradient. It features several light gray, semi-transparent arrows pointing upwards and to the right, suggesting growth and progress. There are also faint, overlapping icons of documents or spreadsheets, some with lines of text, scattered across the lower half of the image.

INTERNATIONAL WORK

The background is a dark blue gradient. On the left side, there are several light gray, upward-pointing arrows of varying lengths and angles, suggesting growth and progress. Overlaid on these arrows are several semi-transparent, light blue squares of different sizes. Some of these squares contain faint, illegible text or icons, giving the impression of data or documents. The overall composition is modern and professional.
